Every Day Will Be Your Christmas

“You are the Light of Lights. You are the source of all lights. You are the Sun of Suns, Moon of Moons, Star of Stars. You are the light within and without. You are the Light of the enlightened. Kindly lead us from the darkness of ignorance to the light of understanding to realize the truth behind all these names and forms.” This is my prayer on this holy occasion.

Every holy day should remind us of our inherent divine nature. At least on that holy day we should forget all of the man-made differences, even the differences that are seen in nature, and rise above these differences to recognize our spiritual oneness.

Don't just run after things. Look within. Experience that joy, that peace, that Jesus, that Moses, that Allah, that Muhammad, that Buddha. Use any name you want. That's my sincere wish for you. Think of that. Let this holy day bring this light into you so that you can celebrate Hanukkah, Christmas, New Years and all the holy days all the time. You don't need to depend on a calendar, certain months, certain days or certain years. Every day will be your Christmas. Every day you'll be receiving gifts through your chimney. Santa Claus will be there with you always.

When you begin to sight the glorious inner light,

You drop all ego's fight, and know the mission right,

You'll do everything in delight and ever simply feel light.

May the Light of Lights light our lives. May the light of Hanukkah be lit within you. May the Christ light be born in you. May the New Year dawn in you and bring a new life in the spirit. May this holy season inspire you with peace and joy. May God be with you.

-Swami Satchidananda Maharaj

We Educate the Mind; Illuminate the Soul

Observational Visit for Grade XI Psychology December 18, 2025

As part of the practical examination requirements of the Grade XI Psychology curriculum, an observational visit was organized on 18 December 2025 for the students. The objective of the visit was to provide students with practical exposure to real-life applications of psychology in educational and clinical settings.

Objectives of the Visit

- To familiarize students with different fields of psychology
- To provide firsthand exposure to special education and clinical psychology settings
- To enhance observational, analytical, and professional skills
- To bridge the gap between theoretical knowledge and practical application

Places Visited

1. Cognito Academy, Coimbatore

The students visited Cognito Academy, a special school catering to children with Autism Spectrum Disorder (ASD), Specific Learning Disability (SLD), Attention Deficit Hyperactivity Disorder (ADHD), and other Intellectual & developmental disabilities.

Students observed classroom interactions, individualized education plans, therapeutic strategies, and the role of special educators and psychologists in supporting children with special needs.

2. Balaji Neuro-Psychiatric Centre, Coimbatore

The second visit was to Balaji Neuro-Psychiatric Centre, which provides treatment, counselling, and rehabilitation services for individuals with psychiatric disorders and de-addiction issues.

Students gained insight into clinical settings, patient care procedures, rehabilitation programmes, and the ethical responsibilities of mental health professionals.

Learning Outcomes

- The observational visit proved to be highly beneficial for the students through,
- Practical understanding of psychological concepts
- Exposure to educational and clinical applications of psychology
- Improved observational and analytical skills
- Awareness of career opportunities in psychology-related fields

Conclusion

The observational visit was a valuable learning experience that enriched students' academic knowledge and practical understanding of psychology. It successfully complemented classroom learning and inspired students as budding learners of psychology to explore the discipline with greater interest and clarity.

OBSERVATIONAL VISIT FOR GRADE XI PSYCHOLOGY

Inauguration of Standards Club

December 19, 2025

The Standards Club was formally inaugurated at Satchidananda on 19 December 2025, in collaboration with the Bureau of Indian Standards (BIS), Coimbatore Branch Office. Smt. G. Bhavani, Scientist-F and Senior Director, BIS Coimbatore Branch Office, was the Chief Guest. The initiative aims to instil awareness about quality, safety, and standardization among students at an early age.

In her inaugural address, Smt.G. Bhavani emphasized the vital role of standards in ensuring safety, quality, and sustainability in daily life and encouraged students to become ambassadors of Indian Standards. Dr. Kavidasan, Secretary of the school, addressed the gathering and appreciated the collaborative effort to establish the Standards Club.

An informative presentation on the activities of BIS was given by Shri G. Vinith Kumar, and introduction to the BIS Standards Club was given by Shri Rino John.S. They also explained the objectives and long-term benefits of the club for students.

The Standards Club was officially launched during the programme, and badges were distributed to student members by the dignitaries. To encourage creativity and awareness, a Student Poster Making Competition on the theme “Safety First: How Standards Protect You?” was also conducted.

Earlier, Dr.R.Uma Maheswari, Principal welcomed the gathering and a student representative proposed the vote of thanks. The inauguration of the Standards Club marks a significant step towards nurturing responsible, quality-conscious young citizens and strengthening awareness of Indian Standards among students. Dr.A.Arun, teacher of Chemistry organised the entire programme.

Inauguration of Standards Club

Christmas Celebrated with Grandeur

December 19, 2025

Satchidananda Jothi Niketan International School celebrated Christmas with great joy and splendour on December 19, 2025. The festive atmosphere reflected the true spirit of Christmas—love, sharing, and harmony—bringing together students, teachers, and staff in a meaningful celebration.

The programme commenced with a warm welcome by Dr. R. Uma Maheswari, Principal, who highlighted the significance of Christmas as a festival that promotes joy, hope, and generosity. The celebration was graced by Reverend Sister Dr. Arulseeli, Secretary of St. Joseph's College for Women, Tirupur, who delivered an inspiring Christmas message. She emphasized that true happiness lies not in material pleasures but in giving, compassion, and living with integrity.

As part of the celebration, students presented a captivating tableau depicting the birth of Baby Jesus, followed by Bible reading by students, which set a reflective and spiritual tone. Kids school children and senior students mesmerized the audience with graceful dances, meaningful skits, and melodious hymns praising Jesus Christ.

Presiding over the function, Dr. Kavidasan, School Secretary, spoke on the universal values shared by all religions—truth, discipline, honesty, and service to humanity. He reminded students that bringing happiness to others is the highest form of joy and that good deeds always return manifold.

Adding colour and excitement to the celebration, Santa Claus appeared on stage and distributed sweets to the students, spreading cheer and laughter all around. The programme witnessed enthusiastic participation from students and teachers, making it a memorable occasion.

Christmas Celebrated with Grandeur

Swami Satchidananda Maharaj Jayanthi Celebrated

December 22, 2025

The Jayanthi of Our Gurudev, Swami Satchidananda Maharaj, was celebrated with great devotion and spiritual fervour at our school on December 22, 2025. The programme served as a meaningful occasion for students and staff to reflect upon the life, teachings, and noble vision of our revered founder.

The celebration began with a floral tribute offered to Swami Satchidananda Maharaj by the staff and students, expressing their deep gratitude and reverence.

Students of Satchidananda House delivered inspiring speeches highlighting Swami Satchidananda Maharaj's life of simplicity, service, and spiritual wisdom.

They eloquently brought out his message of universal love, compassion, and selfless service, emphasizing its relevance in the lives of students today.

The school choir enriched the occasion with devotional bhajans in praise of Swami Satchidananda Maharaj. The Principal, Dr.R.Uma Maheswari, in her address, beautifully highlighted the timeless message of our founder - "Live and Learn to Love and Serve." She urged students to imbibe these principles in their daily lives and to grow not only academically but also morally and spiritually.

The Vice Principal and teachers were present and actively participated in the programme, adding to the significance of the celebration.

Swami Satchidananda Maharaj Jayanthi Celebrated

National Mathematics Day Celebration - 2025**December 22, 2025**

National Mathematics Day was celebrated on December 22, 2025, in our school to commemorate the birth anniversary of the legendary mathematician Srinivasa Ramanujan.

The event commenced with a prayer song, followed by a floral tribute to Swamiji and Srinivasa Ramanujan. Students from various classes delivered insightful speeches in English, Tamil, and Hindi, highlighting Ramanujan's early life, his extraordinary contributions to number theory, and his lasting inspiration to young learners. A Tamil poem beautifully portrayed the brilliance of Ramanujan, while another speech explained his research on numbers in a simple and engaging manner.

The talent show was a major attraction, featuring Sudoku solving, Rubik's Cube formations, and rapid recitation of tables and numbers, reflecting the students' logical thinking and analytical skills. A video presentation on Ramanujan, along with lively performances such as a geometrical shapes song and a BODMAS dance, made mathematics enjoyable and relatable for all.

The programme concluded with felicitation, prize distribution, and an inspiring address by the Principal, Dr.R.Uma Maheswari, motivating students to cultivate curiosity and creativity in mathematics.

The Secretary, Dr. Kavidasan, introduced the "Junior Ramanujan Award" to honour students excelling in mathematics. For the academic year 2025–26, Master Aniruth of Grade IX A was conferred this prestigious award for his outstanding achievements. The celebration truly honoured Ramanujan's legacy and ignited a love for mathematics among students.

National Mathematics Day Celebration - 2025

உள்ளுவதெல்லாம் உயர்வுள்ளல்
கலைமாமணி டாக்டர் சாரதா நம்பி ஆரூரன் உரை

December 23, 2025

மகாகவி பாரதியார் தமிழ் இலக்கிய மன்றம் சார்பில் நடைபெற்ற சிறப்புச் சொற்பொழிவு நிகழ்வில், கலைமாமணி டாக்டர் சாரதா நம்பி ஆரூரன் 'உள்ளுவதெல்லாம் உயர்வுள்ளல்' என்ற தலைப்பில் உரையாற்றினார்.

"அனைவருக்கும் வணக்கம்,

இன்று இந்த அருமையான விழாவில், வருங்காலத் தூண்களான உங்களைச் சந்திப்பதில் மட்டற்ற மகிழ்ச்சி. நான் ஒரு சாதாரண தமிழாசிரியராக வாழ்க்கையைத் தொடங்கி, மாநில தகவல் ஆணையர் என்ற உயரிய பதவிக்கு வந்தேன் என்றால், அதற்கு முக்கியக் காரணம் நான் கற்ற 'தமிழ்' கல்விதான். வாழ்க்கையில் நீங்கள் அனைவரும் வெற்றி பெற, நான் கற்றுக்கொண்ட ஐந்து முக்கியப் படிகளை உங்களுடன் பகிர்ந்து கொள்ள விரும்புகிறேன்.

முதல் படி - கல்வி: கல்வி ஒன்றுதான் யாராலும் திருட முடியாத சொத்து. வெள்ளம் வந்தாலும் அடித்துச் செல்லாது, நெருப்பாலும் அழிக்க முடியாது. எனவே, கல்வியை நேசித்து படியுங்கள்.

இரண்டாவது படி - கேள்வி ஞானம்: கற்பதை விட, அறிஞர்கள் சொல்வதைக் கேட்பது சிறந்தது. தண்ணீரில் கரையும் கல்கண்டு பொம்மை போல, நல்ல கருத்துக்களைக் கேட்டு, அதை உங்கள் வாழ்க்கையோடு இணைத்துக் கொள்ள வேண்டும். ஒரு காதில் வாங்கி மறு காதில் விடுபவர்களாக இருக்காதீர்கள்.

மூன்றாவது படி - உழைப்பு: உழைப்பு இல்லாமல் உயர்வு இல்லை. ஒரு புத்தகத்திற்காக வயலில் வேலை பார்த்த ஆபிரகாம் லிங்கனைப் போல உழைக்க வேண்டும். முயலும் ஆமையும் தனித்தனியே ஒடுவதை விட, இணைந்து செயல்பட்டால் வெற்றி நிச்சயம். அதுபோல குழுவாக (Team work) இணைந்து செயல்படக் கற்றுக்கொள்ளுங்கள்.

நான்காவது படி - தன்னம்பிக்கை: 'என்னால் முடியுமா?' என்ற தயக்கம் கூடவே கூடாது. நிலவில் முதலில் கால் பதித்தவர் நீல் ஆம்ஸ்ட்ராங். அவருக்கு முன்னால் வாய்ப்பு பெற்றவர் தயங்கியதால் வரலாற்றில் இடம் பெறத் தவறினார். எனவே, துணிச்சலும் தன்னம்பிக்கையும் இருந்தால் நீங்களும் வரலாற்றில் இடம் பிடிக்கலாம்.

ஐந்தாவது படி - நேர்மறை எண்ணம் (Positive Thinking): வாழ்க்கையில் எது நடந்தாலும் 'எல்லாம் நன்மைக்கே' என்று நினையுங்கள். விரல் வெட்டுப்பட்ட ராஜாவும், சிறைக்குச் சென்ற மந்திரியும் தப்பிப் பிழைத்தது போல, நமக்கு நடக்கும் ஒவ்வொரு நிகழ்வுக்குப் பின்னாலும் ஒரு நன்மை இருக்கும்.

இறுதியாக ஒன்று, 'கற்றது கைமண்ணளவு, கல்லாதது உலகளவு' என்றார் ஓளவையார். இன்னும் கற்க வேண்டியது நிறைய இருக்கிறது. தமிழில் எண்ணுங்கள், தமிழில் பேசுங்கள். அதுவே நம் இனத்தின் அடையாளம்.

நன்றி, வணக்கம்!"

உள்ளுவதெல்லாம் உயர்வுள்ளல்

December 23, 2025

Annai Sarada Devi Jayanthi Celebration

December 23, 2025

Annai Sarada Devi Day was celebrated in our school with great devotion and joy on 23 December 2025. The programme began with a solemn floral tribute to the portrait of Annai Sarada Devi, offered by the Vice Principal, teachers, and students, marking a respectful remembrance of her noble life and spiritual ideals.

Students of Annai Sarada House actively participated in the celebration by presenting inspiring speeches that highlighted Annai Sarada Devi's life, values, and message of purity, compassion, and selfless service. Melodious songs filled the atmosphere with devotion and reverence, reflecting her spiritual grace.

A thoughtfully enacted skit by the students vividly portrayed key incidents from Annai Sarada Devi's life and conveyed her teachings in a simple yet powerful manner. The performances left a deep impression on the audience and encouraged students to imbibe her ideals in their daily lives. The celebration served as a meaningful occasion for the school community to reflect on Annai Sarada Devi's enduring message of love, humility, and spiritual strength, inspiring students to follow the path of righteousness and service.

Educational Visit to Gass Natural Forest Museum

December 24, 2025

A group of 22 enthusiastic students from the Bird Watching Club of our school undertook an educational visit to the Gass Natural Forest Museum on December 24, 2025. The visit was organized with the objective of providing students with firsthand exposure to wildlife conservation and environmental awareness.

The primary highlight of the visit was the wild birds' hospital, which is being run by a dedicated group of social workers with support from the government. The students were briefed in detail about the entire rehabilitation process of injured and rescued birds. They gained valuable insights into how birds are admitted, treated, nurtured, and eventually released back into their natural habitats. The visit to the various units of the hospital proved to be a deeply enriching and eye-opening experience for the young learners, fostering empathy and respect for all forms of life.

The second part of the visit included an exploration of the Gass Forest Museum. Students were fascinated as they walked through the museum's rich archives, which showcase an impressive collection related to forests, wildlife, and ecological heritage. The museum offered a unique and immersive learning experience, making the visit both educational and adventurous.

Overall, the visit was a memorable and enlightening experience that strengthened the students' understanding of biodiversity, conservation, and their role as responsible custodians of nature.

'Manjai Pai' Awareness Campaign

December 27, 2025

As part of the 'Manja Pai' campaign to promote environmental sustainability, 40 students from the Eco Club, NCC, and Scouts and Guides of our school participated in an awareness programme at Black Thunder on December 27, 2025.

The campaign aimed to create awareness about the harmful effects of plastic bags and to encourage the use of cloth bags. Ms. Briscilla, Assistant Engineer (AE), Tamil Nadu Pollution Control Board (TNPCB), along with other officials, was present on the occasion and addressed the students, emphasizing the importance of reducing plastic usage and protecting the environment. As part of the programme, students conducted a small rally under the Eco Club banner and distributed cloth bags to nearby shopkeepers and passersby, spreading the message of eco-friendly living. The campaign was supported by Dr. R. Uma Maheswari, Principal, Mr. G. Karunanithi, Tamil Teacher, Mr. M. Gokul, NCC Master, Mr.T. Makesh, Scouts and Guides In-charge, and Ms. Jaya Lakshmi, Eco Club Coordinator, who actively participated and guided the students throughout the event.

Founder's Day Celebration

December 29, 2025

The Founder's Day of Satchidananda Jothi Nikethan International School was celebrated with great splendour on Monday, 29 December 2025. Dr. Nalla G Palaniswami, Chairman, Kovai Medical Center and Hospital (KMCH), Coimbatore, graced the occasion as the Chief Guest.

During the Founder's Day celebrations, teachers and non-teaching staff members who have rendered 25 years of dedicated service to the institution were honoured. Students who had secured outstanding marks in the Class X and XII public examinations in the previous academic year, as well as teachers who had guided students to achieve centum results, were also felicitated with certificates by the Chief Guest. In addition, students who excelled in various fields were presented with the "Kala Karthikeyan Award", and the "Sri Sethuraman Award" was given to students for stamp collection.

In his felicitation address, Secretary of the school, Dr. Kavidasan, paid his respectful homage to Gurudev Swami Satchidananda Maharaj. He recalled that when Swamiji founded the school 29 years ago, his vision was not merely to produce students who scored marks, but to nurture individuals who would excel physically, intellectually, emotionally, spiritually and socially. Emphasising the responsibility of parents, teachers and schools in guiding children amidst the influence of social media, he urged all to teach not only academics but also life skills and culture.

Former CBI Director Padmashri Shri Dr. D. R. Karthikeyan, IPS, in his special address, expressed his long association with the institution since its inception. He praised the remarkable growth of the school, not only in infrastructure but also in achievements, and lauded the management for providing holistic education that integrates academics with the art of living. He assured parents that the future of their children studying in the institution would be bright.

The Managing Trustee of the school, Shri. K. Ramasamy, in his presidential address, reiterated

Founder's Day Celebration

December 29, 2025

that the school's founding vision was not limited to academic excellence but was rooted in the guiding principle "Love, Service and Dedicate Yourself to Noble Deeds." He spoke about the importance of service, integrity and character, the need to accept failures as part of learning, and the responsibility of parents in shaping children by exposing them to real-life experiences, discipline and values.

Chief Guest Dr. Nalla G. Palanisamy, in his address, expressed his happiness at witnessing the transformation of the school from its inception to a renowned educational establishment. He paid tribute to the Founder, Swami Satchidananda, for his selfless service to humanity and for spreading integrated yoga and universal harmony worldwide. Drawing from his own life, he stressed the importance of effort, planning and perseverance, quoting Thiruvalluvar's maxim that effort leads to success. He encouraged students to set goals, practise discipline and lead a simple life to achieve excellence.

Distinguished alumni Ms. Sweattha Subramani, M.S, UK, Chief Executive Officer, Subramanya College of Arts & Science and Mr. B. Krishna Prasath, IFS, Indian Forest Service, participated as special invitees.

Ms. Sweattha, in her inspiring address, shared her journey from being an ordinary student of the school to becoming the CEO of a college. She spoke about how her first stage experience at the school transformed her life and expressed heartfelt gratitude to her teachers for shaping her confidence and values. She urged students to respect their teachers, learn from failures and believe in themselves, affirming that the school has the power to turn ordinary students into achievers.

Mr. B. Krishna Prasath, IFS, in his address, shared his emotional return to the campus that had shaped his values and character. He spoke about the school's core philosophy of love, service and dedication, the importance of discipline, unity in diversity, and the lasting influence of teachers in instilling responsibility and confidence. Narrating his journey through engineering studies, civil services preparation, failures and eventual success, he encouraged

Founder's Day Celebration

December 29, 2025

students to work hard with perseverance, use technology responsibly, and believe that success comes when preparation meets opportunity.

The cultural programme that followed featured a variety of performances including Invocation Dance - Pushpanjali, the English Drama - The Sculptor and His Son, Fusion dance - Thillana, Bharathiar's song - Theeradha Vilayattu Pillai, Folk Dance, the Tamil drama - Kodi Katha Kumaran, Bharathiar's song - Theeradha Vilayattu Pillai, the School Anthem, the Dance Drama - Pancha Sabai, and Mangala Arathi to Swami Satchidananda. The performances were greatly appreciated by the Chief Guest, special invitees and the large gathering of parents.

Earlier, the Principal, Dr. R.Uma Maheswari, welcomed the gathering and presented the Annual Report of the school. The programme concluded with a vote of thanks by the Vice Principal, Dr. S. Sakthivel.
